## DATEJUST 36

Oyster, 36 mm, Oystersteel and yellow gold

**THIS OYSTER PERPETUAL  
DATEJUST 36 IN YELLOW  
ROLESOR FEATURES A  
CHAMPAGNE-COLOUR,  
DIAMOND-SET DIAL AND A  
JUBILEE BRACELET.**

Its dial features Diamonds in 18 ct gold settings. The light reflections on the case sides and lugs highlight the elegant profile of the 36 mm Oyster case, which is fitted with a Fluted bezel. Aesthetically, the Datejust has spanned eras, while retaining the enduring codes that make it, notably in its traditional versions, one of the most recognized and recognizable of watches.

## CHAMPAGNE-COLOUR DIAL A WATCHMAKING TECHNIQUE

The sunray finish on Rolex dials is a predominant method in watchmaking of achieving pure metallic colour dials such as shades of silver grey, rhodium or ruthenium.

## **THE FLUTED BEZEL A ROLEX SIGNATURE**

The Rolex fluted bezel is a mark of distinction. Originally, the fluting of the Oyster bezel had a functional purpose: it served to screw the bezel onto the case helping to ensure the waterproofness of the watch. It was therefore identical to the fluting on the case back, which was also screwed onto the case for waterproofness, using specific Rolex tools. Over time, the fluting became an aesthetic element, a genuine Rolex signature feature. Today the fluted bezel is a mark of distinction, always in gold.

## **YELLOW ROLESOR A MEETING OF TWO METALS**

Gold is coveted for its lustre and nobility. Steel reinforces strength and reliability. Together, they harmoniously combine the best of their properties. A true Rolex signature, Rolesor has featured on Rolex models since the early 1930s, and was trademarked as a name in 1933. It is one of the prominent pillars of the Oyster collection.

## **THE JUBILEE BRACELET SUPPLE AND COMFORTABLE**

The design, development and production of Rolex bracelets and clasps, as well as the stringent tests they face, involve advanced high technology. And, as with all the components of the watch, aesthetic controls by the human eye guarantee impeccable beauty. The Jubilee, a supple and comfortable five-piece link metal bracelet, was designed and made especially for the launch of the Oyster Perpetual Datejust in 1945.

## **THE CYCLOPS LENS A MAGNIFYING LENS**

The Cyclops lens is one of the most distinctive Rolex features, and one of the most recognizable. Named after the one-eyed giant of Greek mythology, the Cyclops lens magnifies the watch's emblematic date display two and a half times for easy reading. Behind the Cyclops, as with every feature of a Rolex timepiece, lies a history of invention, research and development, and the endless search for perfection.

## **3235 MOVEMENT SUPERLATIVE PERFORMANCE**

The calibre 3235 is a new-generation movement entirely developed and manufactured by Rolex. This self-winding mechanical movement is at the forefront of the art of watchmaking. A consummate demonstration of Rolex technology, it offers fundamental gains in terms of precision, power reserve, resistance to shocks and magnetic fields, convenience and reliability. It incorporates the new Chronergy escapement patented by Rolex, which combines high energy efficiency with great dependability. Made of nickel-phosphorus, it is also insensitive to magnetic interference.

## Specifications

Reference 126233

### MODEL CASE

Oyster, 36 mm, Oystersteel and yellow gold

### OYSTER ARCHITECTURE

Monobloc middle case, screw-down case back and winding crown

### DIAMETER

36 mm

### MATERIAL

Yellow Rolesor - combination of Oystersteel and 18 ct yellow gold

### BEZEL

Fluted

### WINDING CROWN

Screw-down, Twinlock double waterproofness system

### CRYSTAL

Scratch-resistant sapphire, Cyclops lens over the date

### WATER RESISTANCE

Waterproof to 100 metres / 330 feet

### MOVEMENT

Perpetual, mechanical, self-winding

### CALIBRE

3235, Manufacture Rolex

### PRECISION

-2/+2 sec/day, after casing

### FUNCTIONS

Centre hour, minute and seconds hands.  
Instantaneous date with rapid setting.  
Stop-seconds for precise time setting

### OSCILLATOR

Paramagnetic blue Parachrom hairspring.  
High-performance Paraflex shock absorbers

### WINDING

Bidirectional self-winding via Perpetual rotor

### POWER RESERVE

Approximately 70 hours

### **BRACELET**

Jubilee, five-piece links

### **BRACELET MATERIAL**

Yellow Rolesor - combination of Oystersteel and 18 ct yellow gold

### **CLASP**

Folding Oysterclasp with Easylink 5 mm comfort extension link

### **DIAL**

Champagne-colour set with diamonds

### **GEM SETTING**

Diamonds in 18 ct gold settings

### **CERTIFICATION**

Superlative Chronometer (COSC + Rolex certification after casing)
